## The Dawn of a New Era

With the arrival of 20 students and two teachers from the Konigin Luise Gymnasium, Erfurt, Germany on a cultural exchange program to our school on September 23, 2023, we have confirmed the belief in line with the recently concluded G20 meet in New Delhi, 'one earth, one family and one future.'

The cultural exchange program involving the students and faculty of Konigin Luise Gymnasium Erfurt, Germany with our school started way back in 2019 on the line of exchanging artifacts and pleasantries. It has taken seven years for all of us to see the German delegates arriving on our school campus a reality. Before the arrival, an MoU was signed between the two schools to culturally exchange students and faculty on mutual trust and faith.

Early in May 2023, Sri K Ramasamy, the Managing Trustee of our school, led a team of educators - Dr.Uma Maheswari, our Principal, and Doctor J.Sheela Grace the teacher of Physics - to Konigin Luise Gymnasium, Erfurt Germany, to invite the students and faculty to visit us. In turn, our students numbering 20 (8 boys and 12 girls) to be escorted by Dr.J.Sheela Grace Teacher of Physics and Mr.M.S.Adhishesan Teacher of Computer Science will visit Konigin Luise Gymnasium Erfurt, Germany for a fortnight from November 25 to December 9, 2023. Our Secretary Dr. Kavidasan will also join later in Erfurt.

To all of us at Sachidananda, their arrival has brought a bundle of joy unlimited and enthusiasm unparalleled. To the school striving hard to create world leaders (with the vision of global citizens,) their arrival has brought a whiff of fresh air to the campus. They will be with us as Cultural Exchange Ambassadors from September 23, to October 5, 2023, participating in all the activities of the school including the Annual Sports Day celebrations as well. We are optimistic their stay will be an ever-memorable one to all of us.

# 'Union' of Cultures

Unknown till yesterday;  
Started knowing from now;  
You have come crossing beyond

4000 miles, just to see us.  
Mere words can't substitute  
Our 'love' for you all.  
For in our hearts, you  
All have a special place.  
Seven long years, we  
Waited with bated breath;  
To see this 'exchange' happen,  
And now, we are delighted.  
And we are here to extend  
Our arms wide open;

To see you are well-placed  
And well - protected.  
Let the blessings of our  
Gurudev, be with you all;  
To have memorable days here  
And as a true host, all we say is  
\*"Athithi Devo Bhava" \*  
\*(The guest is equivalent to God)
